~Read Your Writing~

~Show Your Art~

~Perform Your Story~

~ Speak Your Mind~

Healing Night 2010

An annual event for women who have experienced or been affected by any form of emotional or physical abuse. Women are invited to display any type of creative object, read their written work or act in any type of performance piece they choose while in the company of other supportive women.

A workshop is being offered on the day after Healing Night for interested women.

Both events are free!
