# ABUNDANCE WELLNESS CENTER AND THE INSTITUTE OF TEMPOROMANDIBULAR STUDIES Presents A

# TEMPOROMANDIBULAR JOINT DYSFUNCTION (TMD) SEMINAR

TMD affects 20% of the population. Are **you** prepared as a therapist to effectively help them? Many doctors and dentists are associating with other health care professionals in order to help their patients with TMD. Do **you** have the knowledge and skills to join with them? There is increasing evidence that balance and alignment of the TM joint enhances athletic performance. Will **you** be able to help them achieve their peak performance? People suffering with headaches, neck problems, ear and sinus problems, muscular tension and pain throughout the body often need TMJ therapy. Are **you** qualified to help them attain their maximum health potential?

Transform your practice by participating in the definitive TMJ body worker's seminar. Join us and take your business to a new level with powerful, effective healing skills.

### This action packed and informative seminar will provide you with:

- \* a thorough understanding of TMJ anatomy and biomechanics
- \* the ability to recognize and understand various types of dysfunction
- \* a working TMJ examination format
- \* methods of alleviating pain and restoring muscular balance to the joint
- \* a mastery of TMJ phraseology enabling easeful communication
- \* an understanding of treatment modalities currently being used
- \* therapeutic exercises for the TMD client
- \* AND an inquiry into the client's emotional and transformation process
